

OLIVER RAUCH

TENANT INFO

DEAR LANDLORD..

My name is Oliver Rauch. I am a 19 year old student, being raised in the Balearic Islands of Spain. I have been accepted to the Eindhoven University of Technology (TU/e), in the programme of Applied Physics. I am writing this to introduce myself as a tenant.

ABOUT ME:

I am a calm person, someone who mostly keeps to himself and is very responsible. Thanks to my background as a martial arts helper/teacher, I have developed skills in which I take responsibility for my actions, and can take a calm approach to whatever situation that may arise.

I do not smoke or drink, and I am quite an active person, striving for a healthy lifestyle and an academically driven routine. I am a quiet person, although I do enjoy meeting new people and interacting with them.

I have a few hobbies, such as reading books, gaming, martial arts, and diving. I also love to teach martial arts to others!

I am fully committed to completing my full Bachelors Degree, which is about 3 years long, which means having long term accommodation, however, I can deal with leases that last for shorter periods. I am fully prepared to sign any documents and send any other documents needed in order to be able to rent the estate.

Avenida Balear, 14, 17181 Sol de Mallorca, Islas Baleares

FINANCIAL RELIABILITY

The rent is guaranteed by my parents, who have financial backing and the reliability to pay that rent. They also have experience in real estate and therefore I understand what it is to be a good tenant.

My father is a Chief Engineer on a superyacht and is also self employed, helping develop several yacht owners with engine management. My mother is also similarly self employed in the same company, and my family own several properties in which they rent to other people.

I am fully prepared to supply the following documents as well as any you may require, and is also happy to pay a few months rent. Annual net income of parents is over €95,000.

- TU/e admission letter
- Parental income and/or bank statement
- ID /passport copy
- Parental guarantee letter
